Chairman's Message

Good nutrition is fundamental to the healthy growth, development and well-being of children. It plays a critical role in ensuring that children achieve their full physical, cognitive and emotional potential, thereby contributing to improved educational outcomes, better health and enhanced future productivity. Investing in child nutrition is therefore not only a social responsibility but also a strategic imperative for nurturing a healthier, more productive and resilient generation that can contribute meaningfully to the nation's development.

It gives me great pleasure to present the Annual Report of the NDDB Foundation for Nutrition (NFN) for the year 2024–25. At NFN, we firmly believe that good nutrition is the cornerstone of a healthy and productive society. Guided by this vision, the Foundation continues to leverage the strength of the dairy sector to address the issue of malnutrition, particularly among children and other vulnerable communities.

During the year 2024–25, NFN made significant strides in expanding its outreach and deepening its impact. Our flagship Giftmilk Programme continued to grow, reaching to nearly 66,900 children across 660 schools and anganwadi centres in 13 states. NFN, distributed approximately 9.5 lakh litres of flavoured preferably milk fortified with Vit A & D. The encouraging response from stakeholders and the continued support from our CSR partners reflect the trust and relevance of this initiative.

The Shishu Sanjeevani Programme further strengthened our efforts to combat early childhood malnutrition by providing protein-rich supplement to over 4,200 children in underserved regions. This initiative plays a crucial role in supporting the growth and development of young children during their formative years.

In parallel, our Go-Green Manure Management Programme advanced sustainable rural development through the promotion of biogas technology both at household and community level. By facilitating the installation of household and community-level biogas plants, NFN is contributing not only to clean energy access but also to environmental sustainability and improved livelihoods for rural families.

The year also witnessed the expansion of partnerships with public sector enterprises, private organisations and dairy institutions. These collaborations have been instrumental in scaling our programmes and reaching aspirational districts across the country.

I would like to express my sincere gratitude to all our partners, donor agencies including NDDB subsidiary companies, dairy cooperatives, government authorities and community stakeholders. Their continued support and commitment have been vital to our success.

Looking ahead, NFN remains committed to expanding its footprint and enhancing the impact of its programmes. We aim to scale up the Giftmilk Programme to reach one lakh children per day, extend Shishu Sanjeevani to more regions and strengthen our Go-Green initiatives through new partnerships and innovations.

With renewed determination we will continue to work towards ensuring better nutrition, improved health outcomes and sustainable livelihoods for communities across India.

Dr Meenesh Shah
Chairman
NDDB Foundation for Nutrition

The Year in Retrospect

The NDDB Foundation for Nutrition was founded by the National Dairy Development Board (NDDB) with a vision to provide nutritional support to school children and other needy segments through supply of milk and other nutritious products to combat malnutrition. NFN is registered as a Trust under The Bombay Public Trusts Act, 1950 and as a Society under The Societies Registration Act, 1860.

NFN, building on the rich legacy and expertise of NDDB, has continued its mission to use the power of dairy to improve the nutritional well-being of vulnerable populations, particularly school children. Across India, schools are not only places of learning but also important centers where children receive care, health services and access to nutrition. Recognising this, NFN has sought to make nutrition an inseparable part of children's growth journey. Its flagship initiative, the Giftmilk Programme, is more than just a glass of milk-it represents a promise to ensure that every child has access to essential nutrition thereby laying a strong foundation for their physical and cognitive development.

The year 2024-25 was marked by significant growth and outreach for NFN. Through its flagship programmes-Giftmilk, Shishu Sanjeevani and Go-Green-NFN deepened its commitment to improving child nutrition, strengthening school retention and promoting sustainable energy solutions in rural communities.

Progress of Programmes

Giftmilk Programme

Under Giftmilk Programme, NFN provides 200 ml of flavoured milk, preferably fortified with Vitamin A & D, to Government school children under CSR of various corporations. Local dairy cooperatives are being engaged to supply flavoured fortified milk at respective locations.

During the year 2024-25, NFN continued to strengthen its efforts towards addressing malnutrition among children. The favourable response to the Giftmilk programme by government schools and local authorities magnified the faith of donor agencies in our programme. NFN entered into several strategic partnerships and expanded the reach of its programmes, while also undertaking new initiatives of long-term relevance. Under the Giftmilk Programme, **nearly 9.5 lakh litres of flavoured milk** fortified with Vit A & D were distributed, reaching to approximately **66,900 children in 660 schools and anganwadi centres spread across 13 states.**

NFN executed multiple agreements with leading public sector enterprises for implementation of the Giftmilk Programme.

Inauguration of Giftmilk programme by Hon'ble President of India at Rairangpur in Mayurbhanj district of Odisha under CSR of NDDB Dairy Services (NDS)

An agreement was executed between NFN and NDDB Dairy Services for implementation of the Giftmilk Programme at Rairangpur in Mayurbhanj district of Odisha. The Programme was inaugurated by the Hon'ble President of India on 13 Jan, 2025. Other dignitaries present during the programme included Shri Rajiv Ranjan Singh alias Lalan Singh, Hon'ble Union Minister of Fisheries, Animal Husbandry & Dairying and Panchayati Raj, Prof S P Singh Baghel, Hon'ble Union Minister of State for Fisheries, Animal Husbandry & Dairying and Panchayati Raj, Shri George Kurian, Hon'ble Union Minister of State for Fisheries, Animal Husbandry & Dairying and Minority Affairs and Dr Meenesh Shah, Chairman, NDDB.

Launch of Giftmilk programme under CSR of Indian Immunological Ltd. (IIL) at Pollachi in Coimbatore district of Tamil Nadu

In Tamil Nadu, NFN expanded its coverage by extending nutritional support to additional 1,150 children in Coimbatore district under CSR assistance of Indian Immunologicals Limited (IIL). The launch event for this expansion was organised at Pollachi in July 2024, inaugurated by the Chairman, NFN in the presence of the Sub-Collector, Coimbatore district and the Managing Director of IIL.

NFN entered into agreements with eight Milk Producer Companies facilitated by NDDDB Dairy Services. These included Kashee, Ujaala, Harit Pradesh, Paayas, Baani, Saahaj, Shreeja & Shwetdhara Milk Producer Companies.

An agreement was signed with Bokaro Steel Plant (BSL), a unit of SAIL, for implementation of Giftmilk Programme in Bokaro district of Jharkhand, covering 2,300 children. Another significant partnership was forged with Mazagon Dock Shipbuilders Limited (MDL) for Gadchiroli district of Maharashtra, benefitting 4,000 children under the programme.

Launch of Giftmilk programme by Hon'ble Minister of State for Ministry of Housing and Urban Affairs under CSR of Housing and Urban Development Corporation Ltd (HUDCO) at Bilaspur, Chhattisgarh

In collaboration with the Housing and Urban Development Corporation (HUDCO), NFN initiated a new programme covering Rajnandgaon, Bilaspur & Mungeli districts of Chhattisgarh, benefitting 8,000 children with a project outlay of ₹2.48 crore.

NFN also signed an agreement with HUDCO to implement Giftmilk programme, covering about 7,500 children in Nagpur and Gadchiroli districts of Maharashtra, with a budget of ₹2 crore.

NFN also initiated new programmes under CSR of The Shipping Corporation of India Ltd. (SCI) at aspirational districts of Muzaffarpur (Bihar) & Gadchiroli (Maharashtra) & Yamaha Motor Solutions, India Pvt. Ltd (YMSLI) for implementation of Giftmilk Programme at the aspirational district of Palamu (Jharkhand).

NFN also renewed agreements with various units of Steel Authority of India Limited (SAIL) - Rourkela Steel Plant (Odisha), Durgapur Steel Plant (West Bengal), IISCO Steel Plant, Burnpur (West Bengal) and Bhilai Steel Plant (Chhattisgarh) for implementation of Giftmilk Programme in the operational areas of respective Steel Plants during 2024-25.

These initiatives further expanded the reach of quality milk and nutrition support to children in underserved and aspirational districts across the country.

Shishu Sanjeevani Programme

Alongside Giftmilk, NFN advanced its Shishu Sanjeevani Programme, a fortified, ready-to-eat nutritional supplement designed by NDDDB, for children aged three to six years. Each 40-gram serving provides approximately 200 kcal of energy, 18 percent protein and nearly one-third of the Recommended Dietary Allowances (RDA) of key micronutrients. Implemented in Gadchiroli, Maharashtra with CSR support from Mother Dairy Fruit & Vegetable Pvt. Ltd. and in collaboration with ICDS, the programme distributed 7.26 lakh packets of Shishu Sanjeevani during the year, benefitting 4,253 children across 147 anganwadi centres. The initiative has helped, strengthen the nutritional status of young children in one of the country's most vulnerable communities.

Go-Green Programme

NFN also made steady progress under its Go-Green Manure Management Programme, which promotes sustainable agriculture and clean household energy solutions through biogas technology. During 2024–25, NFN facilitated the installation of 100 household biogas plants in Bokaro under CSR assistance of BPSCL and 50 plants in Vadodara under CSR support of Archroma India Ltd.

At the community level, NFN promoted sustainable waste-to-energy solutions through the installation of a 40 cubic metre biogas plant at Kotyark Temple Gaushala in Mehsana under the CSR support of IDMC Ltd. These initiatives facilitate the scientific utilisation of cattle dung for generation of clean and renewable energy, thereby reducing methane emissions from unmanaged organic waste and contributing to climate change mitigation. The biogas produced serves as a green alternative to conventional fossil fuels such as LPG, while the digested slurry generated as a by-product is utilised as an organic manure, supporting sustainable agricultural practices.

A major agreement was executed among ONGC, NFN, NDDB and Barauni Milk Union for establishment of a 100 MTPD dung-based biogas plant at Barauni, Bihar under CSR of ONGC. The project is expected to convert large quantities of cattle dung into renewable biogas, reducing greenhouse gas emissions and promoting circular economy principles.

Agreement Signing Ceremony between Suzuki Research and Development Center of India (SRDI) and NDDDB Foundation for Nutrition for Go-Green Manure Management Project.

These initiatives not only promote clean energy and reduce household drudgery, especially for women, but also contribute to lowering carbon emissions and making dairying more sustainable.

Other Initiatives

NFN also engaged in awareness and advocacy activities. In September 2024, NFN celebrated Poshan Maah and World School Milk Day by organising lectures, competitions and games that emphasised healthy eating and promoted regular milk consumption.

NFN actively participated in the Exhibition of the IDF Regional Dairy Conference held from 26–28 June 2024 at Kochi. The platform provided an opportunity to showcase the Foundation's work to stakeholders across the dairy sector and build visibility for its unique nutrition-focused interventions.

Contribution of Stakeholders

NFN is deeply grateful to all its partners and stakeholders - donor agencies including, NDDDB subsidiary companies - Mother Dairy Fruit & Vegetable Pvt. Ltd., IDMC Ltd., Indian Immunologicals Limited & NDDDB Dairy Services, dairy cooperatives, school principals, teachers, ICDS workers, parents, government authorities and the NFN Board of Governors-for their unwavering support. Their collaboration and commitment have been instrumental in helping NFN deliver on its mission to address malnutrition and promote sustainable livelihoods.

Road Ahead

Looking ahead, NFN is committed to scaling up its initiatives further. NFN plans to expand the Giftmilk Programme to reach one lakh children per day, with special focus on aspirational districts in Bihar, Jharkhand and Maharashtra. It also aims to extend Shishu Sanjeevani to additional states and forge new partnerships under the Go-Green programme to reach more dairy farmers. Impact assessments are planned to evaluate the effectiveness of Giftmilk.

With consciousness of the Corporations towards environmentally sustainable initiatives, Go-Green Manure Management Programme of NFN is taking grounds and NFN hopes to collaborate with new organisations and reach out to dairy farmers at many locations.

With a renewed spirit, NFN will pursue its commitment to provide nutritional support to the children across the country. The hope for a better future for all our beneficiaries, especially children, gives us the energy to serve more and serve better. NFN will continue to strive vigorously to empower children through the power of nutritional supplementation.

Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Report of an Auditor Related to the Accounts Audited under Sub-Section (2) of Section 33 and 34 and Rule 19 of the Bombay Public Trust Act, 1950.

To the Members of

NDDB FOUNDATION FOR NUTRITION is registered as Public Trust under The Bombay Public Trust Act, 1950 and also as a Society under The Societies Registration Act, 1860 with the main objective of providing nutrition support to children and needy persons interalia through milk/milk products and thereby contribute to the eradication of malnutrition. The other significant object of the trust is GoGreen programme which strives to enhance nutritional quotient of the soil by manure management and at the same time attain environmental benefits by mitigating contribution of dairying in global climate change through limiting the GHG emissions from manure by providing biogas plants to dairy farmers associated with dairy cooperatives & milk producer companies.

Significant Accounting Policies:

2 Basis of Preparation of Financial Statements:

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles in India and the applicable accounting standards.

3 Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from estimates. Differences between the actual results and the estimates are recognised in the period in which the same are known/materialised.

4 Revenue Recognition:

(i) Donations:

The amounts received as donations from contributories have been recognised as Income on actual receipt basis.

(ii) Interest Income:

Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

5 Provisions:

The Trust recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

B NOTES FORMING PART OF ACCOUNTS:

1 Estimated amount of contracts remaining to be executed and not provided for is Rs. Nil (P.Y. Rs. Nil)

2 The Trust does not have any Contingent Liability at the end of the year.

3 No provision for Income Tax has been made for the F.Y.2024-25 since the taxable income of the trust worked out under the Income Tax Act, 1961 comes to Rs. Nil.

कुपोषण मुक्त बचपन की ओर कदम आंगनवाड़ी बच्चों के लिए गिफ्ट मिल्क कार्यक्रम शुरू

दिव्य आधार, कोटा। बच्चों में कुपोषण की समस्या को दूर करने और पोषण स्तर सुधारने के उद्देश्य से गिफ्ट मिल्क कार्यक्रम की शुरुआत की गई है। इस कार्यक्रम के तहत लाडपुरा ब्लॉक के पांच सेक्टरों अरंडखेड़ा, कैथून, खेड़ा रसूलपुर, मानसगांव और मंडाना में 850 आंगनवाड़ी बच्चों को फरवरी और मार्च के कार्य दिवसों में 200 मिलीलीटर फोर्टिफाइड स्वादयुक्त दूध उपलब्ध कराया जाएगा। गुरुवार को यह पहल उजाला मिल्क प्रोड्यूसर कंपनी लिमिटेड द्वारा राष्ट्रीय डेयरी विकास बोर्ड (एनडीडीबी) फाउंडेशन फॉर न्यूट्रिशन के सहयोग से शुरू की गई। कार्यक्रम का आयोजन अरंडखेड़ा स्थित बालापुरा आंगनवाड़ी केंद्र में किया गया।

इस अवसर पर कोटा विकास प्राधिकरण के अतिरिक्त आयुक्त नयन गौतम ने कहा कि यह पहल बच्चों के शारीरिक और मानसिक विकास में सहायक होगी और कुपोषण को दूर करने में प्रभावी भूमिका निभाएगी। उन्होंने मंच से बच्चों को फ्लेवर्ड मिल्क वितरित किया और उजाला एमपीसीएल तथा एनडीडीबी फाउंडेशन को इस महत्वपूर्ण प्रयास के लिए बधाई दी।

कार्यक्रम में आईसीडीएस उप निदेशक सीता शर्मा, राजस्थान ग्रामीण आजीविका विकास परिषद की प्रबंधक सुश्री नेहा चतुर्वेदी, लाडपुरा सीडीपीओ श्री हरि शंकर नुवाद, उजाला एमपीसीएल के मुख्य कार्यकारी श्री दिनेश चौधरी, और अन्य गणमान्य व्यक्ति उपस्थित रहे।

उजाला एमपीसीएल के मुख्य कार्यकारी दिनेश चौधरी ने बताया कि इस कार्यक्रम के तहत बच्चों को कोटा डेयरी-सरस द्वारा दूध उपलब्ध कराया जाएगा। उन्होंने बच्चों से निमित्त रूप से दूध पीने और इस पहल का पूरा लाभ उठाने का आह्वान किया।
